Financial Arrangement Options

Here at Strongsville Smile Keepers, we are proud to be part of a team whose primary mission is to deliver the finest and most comprehensive dental care available today. In addition, we are also dedicated to making top quality care as cost effective as possible. We offer the following payment options:

Payment Options

1. Cash, money orders or personal checks
2. Visa, MasterCard and Discover
3. Care Credit, which offers you a flexible payment plan.

If you pay in **full** at time of service with cash/check, you will receive 10% off.
Payment in full with a credit card, you will receive 5% off.

Any treatment over \$200 will require an initial deposit on the day of service.

You are responsible for any remaining balance of your treatment that your insurance does not cover. We ask that you realize that we do not work for an insurance company. Rather, we work 100% for our patients. We feel that insurance can be a great benefit for many patients and want you to know we will do everything in our power to ensure that you receive every benefit allotted in your insurance contract. However, the treatment we recommend and the fees we charge will always be based on your individual needs, not your insurance coverage. Pre-treatment estimates can be sent upon request.

Patients without insurance are responsible for payment in full at time of the appointment.

We ask that you give 24 hours notice if you need to cancel or change an appointment. If you fail to do so, you will be charged a missed appointment fee.
